DECISION DIRECTING ENTRY OF JUDGMENT¹

On June 1, 2007, the parties filed a stipulation. The special master has reviewed thoroughly the stipulation. He adopts completely the stipulation. Therefore, in the absence of a motion for review filed under RCFC Appendix B, the clerk of court shall enter judgment based upon the stipulation in petitioner's favor. Under Vaccine Rule 11(a), the parties may expedite entry of judgment by filing a joint notice renouncing the right to seek review. Then, under Vaccine Rule 12(a), petitioner may expedite payment by filing an election to accept the judgment.

The clerk of court shall send petitioner's copy of this decision to petitioner by overnight express delivery.

John F. Edwards
Special Master

¹ As provided by Vaccine Rule 18(b), each party has 14 days within which to request redaction "of any information furnished by that party (1) that is trade secret or commercial or financial information and is privileged or confidential, or (2) that are medical files and similar files the disclosure of which would constitute a clearly unwarranted invasion of privacy." Vaccine Rule 18(b). Otherwise, "the entire decision" will be available to the public. *Id.*

No. 03-2702V
Special Master Edwards

STIPULATION

It is hereby stipulated by and between the parties, the following matters:

1. On November 21, 2003, John M. Young (“petitioner”), filed a petition for vaccine compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 to 34, *as amended* (the “Vaccine Program”). The petition seeks compensation for injuries allegedly related to petitioner’s receipt of tetanus-diphtheria (“Td”) vaccine, Hepatitis A (“Hep A”) vaccine, and yellow fever vaccines. Hep A vaccine and Td vaccine are covered under the Vaccine Injury Table (the “Table”), 42 C.F.R. §100.3(a)(I), (XIV), as amended. Yellow fever vaccine is not covered under the Table.

2. Petitioner received the above vaccines on April 4, 2002.

3. The vaccines were administered within the United States.

4. Petitioner alleges that within three days after receipt of the vaccines he experienced progressive left-sided paralysis and loss of speech. Approximately one month later, having returned to the U.S. from a trip to Ethiopia, petitioner was diagnosed with acute disseminating

encephalomyelitis (“ADEM”). Petitioner believes that his ADEM was caused by either the Td vaccine or the Hep A vaccine he received.

5. Petitioner represents that there has been no prior award or settlement of a civil action for damages as a result of his alleged vaccine-related injury.

6. Respondent denies that petitioner has established by a preponderance of the evidence that his injuries, to include ADEM, were actually caused by the Hepatitis A or Td vaccines administered to him on April 4, 2002.

7. Maintaining their above-stated positions, the parties nevertheless now agree that the issues between them shall be settled and that a decision should be entered awarding the compensation described in paragraph 8 of this Stipulation.

8. As soon as practicable after an entry of judgment reflecting a decision consistent with the terms of this Stipulation, and after petitioner files an election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), the Secretary of Health and Human Services will issue the following vaccine compensation payment:

A lump sum of \$150,000.00 in the form of a check payable to petitioner. This amount represents compensation for all elements of compensation under 42 U.S.C. § 300aa-15(a) to which petitioner would be entitled.

9. As soon as practicable after the entry of judgment on entitlement in this case, and after petitioner has filed both a proper and timely election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), and an application, the parties will submit to further proceedings before the special master to award reasonable attorney’s fees and costs incurred in proceeding upon this petition.

10. Payments made pursuant to paragraph 8 and any amounts awarded pursuant to

paragraph 9 of this Stipulation will be made in accordance with 42 U.S.C. § 300aa-15(i), subject to the availability of sufficient statutory funds.

11. In return for the payments described in paragraphs 8 and 9, petitioner in his individual capacity, and on behalf of his heirs, executors, administrators, successors or assigns, does forever and fully expressly release, acquit and discharge the Secretary of Health and Human Services and the United States of America from any and all actions, causes of action, agreements, judgments, claims, damages, loss of services, expenses and all demands of whatever kind or nature on account of, or in any way growing out of, any and all known or unknown personal injuries to or death of petitioner resulting from, or alleged to have resulted from, the Td vaccine and the Hepatitis A vaccine administered to him on April 4, 2002, as alleged by petitioner in a petition for vaccine compensation filed on or about November 21, 2003, in the United States Court of Federal Claims as petition No. 03-2702V.

12. If petitioner should die prior to receiving the payment described in paragraph 8, this agreement shall be considered voidable upon proper notice to the Court on behalf of either or both of the parties.

13. If the special master fails to issue a decision in complete conformity with the terms of this Stipulation, or if the Court of Federal Claims fails to enter judgment in conformity with a decision that is in complete conformity with the terms of this Stipulation, then the parties' settlement and this Stipulation shall be null and void at the sole discretion of either party.

14. This Stipulation expresses a full and complete settlement of liability and damages claimed under the National Childhood Vaccine Injury Act of 1986, as amended. There is absolutely no agreement on the part of the parties hereto to make any payment or to do any act or

thing other than is herein expressly stated and clearly agreed to.

15. All rights and obligations of petitioner hereunder shall apply equally to petitioner's successors and assigns.

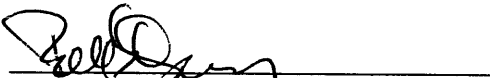

END OF STIPULATION

Respectfully submitted,

PETITIONER:

JOHN M. YOUNG
