# PUBLISHED DECISION AWARDING DAMAGES\*

On April 30, 2002, James L. Doe 21 ("John Doe/21") filed a petition, as best friend of his son, James L. Doe, Jr. ("Child Doe/21") seeking compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §§ 300aa-1 et seq., alleging that the diphtheria-tetanus-acellular pertussis ("DTaP") vaccine caused an injury to his son. On July 17, 2009, the Honorable Susan G. Braden of

<sup>\*</sup>Because this decision contains a reasoned explanation for the special master's action in this case, the special master intends to post it on the United States Court of Federal Claims's website, in accordance with the E-Government Act of 2002, Pub. L. No. 107-347, 116 Stat. 2899, 2913 (Dec. 17, 2002).

Previously, the Court ordered that the name of the petitioner be redacted in a decision available to the public. In accord with the Court's October 9, 2008 order, this decision is being issued without the petitioner's name. See 42 U.S.C. § 300aa—12(d)(4); Vaccine Rule 18(b).

the United States Court of Federal Claims found that Child Doe/21 is entitled to compensation under the Vaccine Act. The Court remanded for a determination of the amount of compensation. 88 Fed. Cl. 178.

Since the remand, the parties have been attempting to quantify the amount of compensation. To facilitate this process, 14 status conferences have been held. Testimony relating to the appropriate form of the award was heard on two different days. This process eventually led to an agreement as to the amount of compensation.<sup>1</sup>

On December 30, 2011, respondent filed a Proffer on Award of Compensation, to which petitioner agrees. Based upon the record as a whole, the special master finds the proffer reasonable and that petitioner is entitled to an award as stated in the Proffer. Pursuant to the attached Proffer, with Tab A, the court awards petitioner:

- 1. A lump sum payment of \$2,431,153.51, representing compensation for life care expenses for the first two years after judgment (\$110,302.60), the discounted present value of twenty-five percent (25.0%) of the remainder of life care expenses as measured by the cost of an annuity (\$1,399.290.01), lost future earnings (\$718,487.87), and pain and suffering (\$203,172.03), in the form of a check payable to petitioner as the guardian of the estate of Child Doe/21, for the benefit of Child Doe/21. No payments shall be made until petitioner provides respondent with documentation establishing that he has been appointed as the guardian of Child Doe/21's estate; and
- 2. A lump sum payment of \$75,000.00, representing compensation for past unreimbursable expenses, payable to John Doe/21, petitioner; and
- 3. An amount sufficient to purchase an annuity contract, subject to the conditions described in the attached Proffer (attached as Appendix A), that will provide payments for seventy-five percent (75.0%) of the remainder of the life care items contained in the life care plan, as illustrated by the chart at Tab A (attached), paid to the life insurance company from which the annuity will be purchased. Compensation for Year Three (beginning on the second anniversary of the date of

<sup>&</sup>lt;sup>1</sup> In addition, petitioner received an award to reimburse him for costs that he expended on an interim basis. Decision, filed October 26, 2011.

judgment) and all subsequent years shall be provided through respondent's purchase of an annuity, which annuity shall make payments directly to petitioner as guardian of the estate of Child Doe/21, for the benefit of Child Doe/21, only so long as Child Doe/21 is alive at the time a particular payment is due. At the Secretary's sole discretion, the periodic payments may be provided to petitioner in monthly, quarterly, annual or other installments. The "annual amounts" set forth in the chart at Tab A describe only the total yearly sum to be paid to petitioner and do not require that the payment be made in one annual installment.

In the absence of a motion for review filed pursuant to RCFC Appendix B, the clerk of the court is directed to enter judgment herewith. **The Clerk's Office is instructed to provide a copy of this decision to the presiding judge.** Vaccine Rule 28.1(a).

Any questions may be directed to my law clerk, Jennifer C. Chapman, at (202) 357-6358.

IT IS SO ORDERED.

#### RESPONDENT'S PROFFER ON AWARD OF COMPENSATION

# I. Items of Compensation

#### A. Life Care Items

The respondent engaged life care planner Laura Fox, MSN, RN, CLCP, to provide an estimation of Child Doe/21's future vaccine-injury-related needs. For the purposes of this proffer, the term "vaccine-related" is as described in the Court's Memorandum Opinion and Final Order dated July 17, 2009. All items of compensation identified in the life care plan are supported by the evidence, and are illustrated by the chart entitled Appendix A: Items of Compensation for Child Doe/21, attached hereto as Tab A.¹ Respondent proffers that Child Doe/21 should be awarded all items of compensation set forth in the life care plan and illustrated by the chart attached at Tab A. Petitioner agrees.

<sup>&</sup>lt;sup>1</sup>The chart at Tab A illustrates the annual benefits provided by the life care plan. The annual benefit years run from the date of judgment up to the first anniversary of the date of judgment, and every year thereafter up to the anniversary of the date of judgment.

### B. <u>Lost Future Earnings</u>

The parties agree that based upon the evidence of record, Child Doe/21 will never be gainfully employed. Therefore, respondent proffers that Child Doe/21 should be awarded full lost future earnings as provided under the Vaccine Act, 42 U.S.C. § 300aa-15(a)(3)(B). Respondent proffers that the appropriate award for Child Doe/21's lost future earnings is \$718,487.87. Petitioner agrees.

# C. <u>Pain and Suffering</u>

Respondent proffers that Child Doe/21 should be awarded \$203,172.03 in actual and projected pain and suffering. This amount reflects that the award for projected pain and suffering has been reduced to net present value. See 42 U.S.C. § 300aa-15(a)(4). Petitioner agrees.

# D. Past Unreimbursable Expenses

Evidence supplied by petitioner documents his expenditure of past unreimbursable expenses related to Child Doe/21's vaccine-related injury. Respondent proffers that petitioner should be awarded past unreimbursable expenses in the amount of \$75,000.00. Petitioner agrees.

#### E. Medicaid Lien

Petitioner represents that there are no outstanding Medicaid liens against Child Doe/21.

#### II. Form of the Award

The parties recommend that the compensation provided to Child Doe/21 should be made through a combination of lump sum payments and future annuity payments as described below, and request that the special master's decision and the Court's judgment award the following:

A. A lump sum payment of \$2,431,153.51, representing compensation for life care expenses for the first two years after judgment (\$110,203.60), the discounted present value of twenty-five percent (25.0%) of the remainder of life care expenses as measured by the cost of an annuity (\$1,399,290.01),<sup>2</sup> lost future earnings (\$718,487.87), and pain and suffering (\$203,172.03), in the form of a check payable to petitioner as the guardian of the estate of Child Doe/21, for the benefit of Child Doe/21. No payments shall be made until petitioner provides respondent with documentation establishing that he has been appointed as the guardian of Child Doe/21's estate;

B. A lump sum payment of \$75,000.00, representing compensation for past unreimbursable expenses, payable to John Doe/21, petitioner;

C. An amount sufficient to purchase an annuity contract,<sup>3</sup> subject to the conditions described below, that will provide payments for seventy-five percent (75.0%) of the remainder of the life care items contained in the life care plan, as illustrated by the chart at Tab A attached hereto, paid to the life insurance company<sup>4</sup> from which the annuity will be purchased.<sup>5</sup>

<sup>&</sup>lt;sup>2</sup> Petitioner has provided testimony and other documentary evidence demonstrating a net worth in excess of \$15,000,000. In addition, petitioner has provided evidence that he is an experienced and savvy businessman who is regularly involved with multi-million dollar business ventures. As a consequence, petitioner has provided credible evidence that he has the unique ability to manage a lump sum funding this portion of the award for life care items.

<sup>&</sup>lt;sup>3</sup> In respondent's sole discretion, respondent may purchase one or more annuity contracts from one or more life insurance companies.

<sup>&</sup>lt;sup>4</sup> The Life Insurance Company must have a minimum of \$250,000,000 capital and surplus, exclusive of any mandatory security valuation reserve. The Life Insurance Company must have one of the following ratings from two of the following rating organizations:

a. A.M. Best Company: A++, A+, A+g, A+p, A+r, or A+s;

b. Moody's Investor Service Claims Paying Rating: Aa3, Aa2, Aa1, or Aaa;

c. Standard and Poor's Corporation Insurer Claims-Paying Ability Rating: AA-, AA, AA+, or (continued...)

Compensation for Year Three (beginning on the second anniversary of the date of judgment) and all subsequent years shall be provided through respondent's purchase of an annuity, which annuity shall make payments directly to petitioner as guardian of the estate of Child Doe/21, for the benefit of Child Doe/21, only so long as Child Doe/21 is alive at the time a particular payment is due. At the Secretary's sole discretion, the periodic payments may be provided to petitioner in monthly, quarterly, annual or other installments. The "annual amounts" set forth in the chart at Tab A describe only the total yearly sum to be paid to petitioner and do not require that the payment be made in one annual installment.

#### 1. Growth Rate

Respondent proffers that a four percent (4%) growth rate should be applied to all non-medical life care items, and a five percent (5%) growth rate should be applied to all medical life care items. Thus, the benefits illustrated in the chart at Tab A that are to be paid through annuity payments should grow as follows: four percent (4%) compounded annually from the date of judgment for non-medical items, and five percent (5%) compounded annually from the date of judgment for medical items. Petitioner agrees.

#### 2. Life-contingent annuity

Petitioner will continue to receive the annuity payments from the Life Insurance Company only so long as Child Doe/21 is alive at the time that a particular payment is due.

<sup>4(...</sup>continued) AAA;

d. Fitch Credit Rating Company, Insurance Company Claims Paying Ability Rating: AA-, AA, AA+, or AAA.

<sup>&</sup>lt;sup>5</sup> Petitioner authorizes the disclosure of certain documents filed by the petitioner in this case consistent with the Privacy Act and the routine uses described in the National Vaccine Injury Compensation Program System of Records, No. 09-15-0056.

Written notice shall be provided to the Secretary of Health and Human Services and the Life Insurance Company within twenty (20) days of Child Doe/21's death.

#### 3. <u>Guardianship</u>

No payments shall be made until petitioner provides respondent with documentation establishing that he has been appointed as the guardian of Child Doe/21's estate. If petitioner is not authorized by a court of competent jurisdiction to serve as guardian of the estate of Child Doe/21, any such payment shall be made to the party or parties appointed by a court of competent jurisdiction to serve as guardian of the estate of Child Doe/21 upon submission of written documentation of such appointment to the Secretary.

# D. Court of Federal Claims Opinions on Entitlement to Vaccine Award

The Court of Federal Claims has issued two decisions on the issue of petitioner's entitlement to a vaccine award. The latter of these decisions, issued on July 7, 2009, vacated the special master's denial of petitioner's claim, set forth the court's own findings of fact, and specifically held "the court has determined the record evidences that Petitioner's injury was caused by the vaccination." Respondent's proffer is limited only to the damages issues in this case. Respondent specifically reserves the right to seek reconsideration of the Court of Federal Claims's opinions, or to appeal those opinions to the Court of Appeals for the Federal Circuit pursuant to 42 U.S.C. § 300aa-12(f).

# III. Summary of Recommended Payments Following Judgment

A. Lump sum paid to petitioner as guardian Child Doe/21's estate:

\$2,431,153.51

B. Lump sum paid to petitioner:

- \$ 75,000.00
- C. An amount sufficient to purchase the annuity contract described
