OFFICE OF THE CLERK  
U.S. COURT OF FEDERAL CLAIMS

The PSC on December 8, 2006 filed its "Second Motion to Compel VSD Access," and attached both a proposed study protocol and a list of the experts who developed the protocol. The PSC further indicated that those experts participating in the study design might also testify or otherwise appear in general causation proceedings in the Omnibus Autism Proceeding (OAP). The PSC now amends that Motion to remove Dr. M. Eric Gershwin, M.D. from the list of potential testifying experts in the OAP. While Dr. Gershwin participated in the proposed study design, denial of the Motion obviates any need for Dr. Gershwin's designation as an expert in this proceeding.
